

# Announcing the 22<sup>nd</sup> International Symposium on Polycyclic Aromatic Compounds (ISPAC 22)

ISPAC 22 will deliver a broad spectrum of global research on the chemical, biological and environmental aspects of PACs

**September 20-24, 2009**

**Francis Marion Hotel**  
**Charleston, South Carolina, USA**

**Sponsored by the International Society for Polycyclic Aromatic Compounds (ISPAC)**

**Please consider joining the Society at [www.ispac.org](http://www.ispac.org) for:**

- reduced registration fees,
- the PAC Journal and Newsletters, and
- global networking with PAC professionals

**More information soon – [www.ispac.org](http://www.ispac.org)**

## **Preliminary PAC Topics:**

*Analytical Methods*

*Occurrence and Sources*

*Human Exposure*

*Metabolite Studies*

*Marine Life*

*Food*

*Standards*

*Reference Materials*

*Synthesis and Formation*

*Fuels*

*Carbon Nanomaterials*

*Atmospheric Fate and Reactivity*

## **Target Abstract Due Date:**

*June 30, 2009*

### **Steering Committee**

#### **Co-Chairs:**

**Michele Schantz** – NIST

**Dianne Poster** – NIST

Secretary -- ISPAC

### **Scientific Committee**

#### **Jan Andersson**

Universität Münster

President -- ISPAC

#### **Joel Baker**

University of Washington

#### **Hélène Budzinski**

University of Bordeaux

President Elect -- ISPAC

#### **John Fetzer**

Fetzpahs Consulting

#### **Jon Eigill Johansen**

Chiron

#### **Farin Kamangar**

NCI

#### **Jocelyne Hellou**

Bedford Institute of

Oceanography

Treasurer – ISPAC

#### **Doug Lane**

Environment Canada

#### **Chris Marvin**

Environment Canada

Treasurer Liaison -- ISPAC

#### **Stephen Nesnow**

US EPA

#### **Donald Patterson, Jr.**

EnviroSolutions Consulting

#### **Angela Ragin**

CDC

#### **Marina Ricci**

IRMM

#### **Judy Wornat**

LSU

Past President -- ISPAC

#### **Takashi Yarita**

NMIJ

### **Local Organizing Committee**

**John Kucklick** -- Chair

NIST
